Dear Sir:

Applicant herewith submits form PTO 1449 for consideration by the Examiner, consistent with the provisions of 37 CFR §§ 1.97 and 1.98. By submitting this Information Disclosure Statement, Applicant makes no admission that any item listed thereupon is material to the patentability of the invention claimed in the above-entitled patent application. Further, Applicant makes no assertion hereby that a search was conducted, or if conducted, that any search was thorough.

Applicant further points out that the present application is a continuation of United States Patent Application serial number 09/367,712, filed August 18, 1999, and that the prosecution history of said application(s) may contain rejections, decisions by the Board, arguments, references and/or disclosure which are relevant to the patentability of the disclosure made in the present application.

Pursuant to 37 CFR § 1.98(d), copies of any patent publication or other information are not required to be provided if they were previously cited by or submitted to the Patent and Trademark Office in a prior application to which priority is claimed under 35 USC § 120.

Copies of all items indicated in form PTO 1449 have previously been provided to or cited by the Patent and Trademark Office in prior patent application Serial No. 09/367,712,

filed August 18, 1999, priority to which has been claimed under 35 USC § 120 for the present application. There are no newly referenced citations in this Information Disclosure Statement.

Applicant respectfully requests that the Examiner indicate consideration of the cited references by returning the enclosed Form 1449 bearing the Examiner's initials and the date considered.

As this Information Disclosure Statement is being submitted with this Application, no fee or certification is thought to be required, pursuant to 37 CFR §1.97(b). If Applicant is in error in this regard, please use Deposit Account 01-0885 for payment of any fee that may be due.

Respectfully submitted,

Brent A. Johnson
